3. If ISALXIX have to cancel your Registration

We aim to hold the symposium as booked. But if, for example, there are not enough participants booked for the symposium, we may have to cancel it. We reserve the right to cancel the conference in any circumstances.

If for any reason beyond ISALXIX's reasonable control (including but not limited to strikes; labor disputes; acts, regulations or orders of governmental authorities; civil disorder; disasters; pandemics; acts of terrorism; acts of war; acts of God; fires; flood or other emergency conditions; any delay in necessary and essential repairs of any accommodations, curtailment of transportation) **it is impossible for the registered participant to arrive at the ISALXIX**, or if any other occurrence making it impossible or illegal for ISALXIX to perform its obligations, such non-performance is excused and ISALXIX terminates its obligation to perform without further liability of any nature. Parties acknowledge and agree that if an Event is canceled by ISALXIX in their sole discretion, ISALXIX shall not be responsible in any manner to customer for any loss, expense or additional costs that may be incurred by customer from booked lodging and travel.

Therefore, ISALXIX strongly recommend all participants to purchase a travel insurance to cover any potential losses due to a canceled symposium.
